Section to be completed BEFORE THE MOBILITY

I. PROPOSED MOBILITY PROGRAMME

Planned period of the mobility: from _____ till _____ *[Indicative start and end months]*

This Learning Agreement includes all the educational components⁶ to be carried out by the student at the receiving institution.

[The student is recommended to take educational components totalling a minimum of 30 ECTS⁷ credits per semester or 15 ECTS credits per trimester.]

[If applicable, additional educational components that the student follows above the required number of ECTS credits needed for his/her degree curriculum are also listed below.]

⁶ An "educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

⁷ In countries where the "ECTS" system it is not in place, in particular for institutions located in partner countries not participating in the Bologna process, "ECTS" needs to be replaced in all tables by the name of the equivalent system that is used.

⁸ The sending institution should fully recognise this number of ECTS credits and any exception to this rule should be documented in an annex of the Learning Agreement and agreed by all parties.

The Student

If successfully completed, the educational components of the study programme abroad will be recognised by the sending institution in the following way:

III. COMMITMENT OF THE THREE PARTIES

By signing¹² this document, the student, the sending institution and the receiving institution confirm that they approve the proposed Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and receiving institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies (or the principles agreed in the inter-institutional agreement for institutions located in partner countries).

The receiving institution confirms that the educational components listed in Table A are in line with its course catalogue.

The sending institution commits to recognise all the credits gained at the receiving institution for the successfully completed educational components and to count them towards the student's degree as described in Table B¹³.

The student and receiving institution will communicate to the sending institution any problems or changes regarding the proposed mobility programme, responsible persons and/or study period.
